*Providing a Setting of  
High Expectations That  
Engage and Motivate all  
Students in a Successful  
Learning Environment*

## For Those Who Will PCS During Winter Break

The office will have limited staff from Monday December 24<sup>th</sup> through Friday December 28<sup>th</sup>.

If you are planning to PCS during that time frame please be sure to let the office know well in advance so that we can have your child's school records prepared. If your child will be accelerating please turn in the acceleration form and a copy of your PCS orders as soon as possible. The earlier the acceleration process begins, the smoother it will be for your child. Please note that in order to accelerate, students must do their work in advance.

## Medication Policy

According to DoDEA policy, students are not allowed to bring any medications to school. Also, a doctor's letter is required to leave medications at the school health office. This includes not only prescribed medication but also over the counter medication such as Tylenol, Motrin and cold medication. For those who need to take medication for common cold symptoms, please have your child take medication in the morning and after school at home if needed. Please contact Nurse Elliott at DSN 784-9117 or 784-7244 or [hyoeun.elliott@pac.dodea.edu](mailto:hyoeun.elliott@pac.dodea.edu) for any questions or concerns.

Help your child by regularly visiting  
our website:
